August 22, 1963

**RADM Reynold D. Hogle, USN
Acting President
Naval War College
Newport, Rhode Island**

Dear Admiral Hogle:

Mr. McCone has asked me to accept your kind invitation to address the Naval War College on Soviet Science and Technology. I would propose to cover much the same ground I did last year but with timely updating.

Unless otherwise notified, I shall set aside Monday, 25 November, 1963, for this very interesting assignment.

Sincerely yours,

STATINTL

**Deputy Director
(Science and Technology)**
